# Production

## Wood

Our furniture is exclusively crafted from 100% premium quality wood, meticulously selected and precision-cut to form the sturdy frames of our pieces.

## Color & Fabrics Customization

All fabrics and finishing colors can be customized for your orders. We have over 200 uniquely designed fabrics in various colors, and patterns and over 30 combination of finishing styles to choose from in order to meet our customers' taste and satisfaction through customization based on their personal preferences.

Selected fabric and finishing color samples will be shipped to your address via DHL. This will enable you to make a more informed decision regarding the fabrics and colors you have chosen for your order.

## Upholstery Materials

Each sofa set is meticulously upholstered, featuring H50 foam density for the seats and H40 foam density for the backrest.

Our Chairs are also upholstered with H40 foam density for seats and H30 foam density for backrest. For enhanced comfort and durability, our chairs are also equipped with round springs meticulously installed in the seats.

## Soft Closing Mechanism

To seamlessly blend luxury style with modern technology and enhance user comfort, all drawers in our furniture come equipped with a soft-closing mechanism. This feature adds a touch of sophistication to the user experience while ensuring convenience and durability.

## Manufacturing Lead Time

The manufacturing time for all orders is contingent upon the total quantity of the received order and the existing production queue in our factory.

Typically, new orders can anticipate an approximate manufacturing time ranging from 55 to 75 days. Please consider this timeline when planning your purchase, and feel free to reach out to our team for any specific inquiries or updates regarding your order status.

# Packaging

## Secured Packaging

It has been always our concern to deliver the ordered items to buyer flawless & undamaged.

- Each item is covered with a soft protective fabric.
- Solid and sturdy foams will be placed around each items to absorb any possible shock.
- Each item will be packed in a separate cupboard box. Bigger items will be supported in box using Timber wood frames.
- We offer standard and Premium Packaging including wood box to ensure all orders and goods will reach to the destination safe and sound.

# Shippings
